MEMORANDUM FOR: DD/PPS

SUBJECT : Trip of Senior Security Representative  
to WH Area

1. On Friday, 29 January 1965, I met with the Chief and Deputy Chief, WH Division, to discuss their turn-down of [ ] proposed trip throughout the WH area. I informed them that it was a matter of principal. I felt that a senior representative of this Office, at the Deputy Director level, should visit each overseas area at least once every two years. I went on to explain that trips by Divisional Area Security Officers were no substitute for this since they could not possibly have the breadth and depth of experience possessed by our senior people.

25X1A 2. It seems that [ ] principal objection to the proposed trip by [ ] was the fact that [ ] WH Security Officer, had very recently toured half of the Stations in the WH area and planned to leave in the very near future to visit the remaining ones. After reaching agreement on the principal outlined above, [ ] and I agreed further that we would defer trip until such time as [ ] has returned from his trip and then [ ] could take the entire swing and evaluate the performances in terms of correcting deficiencies noted by [ ], as well as cover other broad aspects of security problems in each station. We set no definite time, but I would suggest that we plan [ ] trip for some time during the summer months.

Howard J. Osborn  
Director of Security
